

## Teddies for Loving Care (TLC) Amy's Story

**Amy** approached us late last year to ask if she could help us with TLC. What a pleasant change it is when a youngster wants to do their bit in helping out. Amy is fast approaching her GCSE year at school and decided she would work towards her Bronze Duke of Edinburgh Award, by getting involved in charity work. Her happy smile and hard work has helped us quickly achieve our goal of individually wrapping each teddy bear prior to delivery.

Every week she freely gives up a couple of hours to help pack the bears. The bears now plastic wrapped have been so well received by the hospitals that they now say this is a MUST for our charity to survive.

Thanks to Amy all the bears have now come to life. She has written a potted history for each of the bears, which has really helped create more impact when they are given to the children in hospital. Read "Meet the Bears" on the website.

Amy has been such a help to us and so enjoyed what she has been doing for TLC that she has agreed to carry on the good work, even after she has completed her Duke of Edinburgh Award.

Well done Amy and THANK YOU !!

TLC is funded by the generosity of local Freemasons and the sale of merchandise on-line at [www.teddiesforlovingcare.org.uk](http://www.teddiesforlovingcare.org.uk)
