Teddies for Loving Care (Surrey Appeal)

Meet The Bears

Henry is the leader of the pack and is very boyish. Henry likes to play football and loves every kind of sport. Henry supports Chelsea football team. His favourite colour is blue. Henrys best friend is Robert.

Robert is very different to Henry even though they are best friends. Robert loves the outdoors and enjoys making up games for him and his friends to play. One day Robert hopes to be an astronaut and be the first teddy in space. He is extremely cheeky and very mischievous.

Charles is a really clever bear and loves school so much that he could live there! Charles is very sensible unlike Robert. He is especially interested in space and he believes that there are aliens out there. You will always find Charles looking at the stars trying to discover new planets.

Grace is a proper girly-girl and loves everything to do with pink! Grace loves shopping and always looks for the latest trends. She also loves horse riding and she really wants to own a pony. Grace doesn't like the boys very much she thinks they are mean!

Alice is a tomboy and loves sport. Her favourite sports are netball, tennis and football. Alice and Henry always have football competitions and she always wins! Alice has a dog called Frankie who she loves very much, she takes him on walks every day.

Henrietta loves animals and wants to be a vet one day. Her favourite animal is a lion. She loves going to the zoo and her grandma's farm where she can feed the baby lambs. Henrietta loves the summer and wishes it could be summer all the time!

Thanks to Amy Duffell for all the thought and careful words she wrote about the bears. Amy is our helper and supporter while she completes her Duke of Edinburgh award with us.

Thanks Amy
